PROFESSIONAL SUMMARY

ICT Multimedia Application Designer with a passion for transforming complex ideas into clean, interactive digital experiences. I bridge the gap between technology and creativity — from mobile app UI/UX to brand identity systems and responsive web development. My process is rooted in empathy: understanding the end user before writing a single line of code or placing a single pixel. I collaborate closely with developers, stakeholders, and users to deliver products that are not just beautiful, but genuinely useful.

EDUCATION & QUALIFICATIONS

2016

National Senior Certificate

Hex Valley High School

- Subjects: Afrikaans, English, Mathematics, Physical Science, Accounting, Computer Applications Technology, Life Science

FEATURED PROJECTS

VibeCart

App Design · E-Commerce

- Role: Lead UI/UX Designer
- Tools: Figma, Mobile UI Design
- A modern e-commerce mobile home screen featuring personalised greetings, smart search, category navigation, daily deals, and trending products. Designed with a mobile-first approach to create an intuitive and engaging shopping experience.

Biltong BLVD

Web Design

- Role: Frontend Developer & Designer
- Tools: HTML5, CSS3, JavaScript
- A fully designed and developed brand website for a South African droëwors product. Features product showcasing, brand identity integration, and a responsive mobile-first layout built with vanilla HTML, CSS, and JavaScript.

Eclipse Clothing

Brand Identity

- Role: Brand Strategist & Visual Designer
- Tools: Adobe Suite, Figma
- A comprehensive brand identity system for a cosmic-inspired fashion label. Covers logo variations, colour palette, typography hierarchy, brand personality, logo usage guidelines, digital and print specifications, and apparel mockups.

Spade & Archer

Branding · Company Profile

- Role: Brand Strategist & Document Designer
- Tools: Adobe InDesign, Brand Strategy
- A full company profile document for a private investigation firm operating across South Africa. Includes mission statement, core values, products and services, target market personas, and contact information.
